PR River's Longterm Rally aka River is a beautiful eye popping parker brown with a very gentle personality. Her Sire TS Superstar Regard is out of one of our favorite breeders Star Creek Ranch. He carries a ton of mass in his bases... Darlene Aldridge's breeding is written all over him ... long horns... added mass, built solid with a clean straight conformation .... Tip to Tip he's over 84" and he has had progeny trending 90" tip to tip. Along with First
